Bellingham Technical College
Parenting Education
SCHOLARSHIP APPLICATION

- Bellingham Technical College has limited scholarship money available for parenting education classes.
- The purpose of this scholarship money is to provide scholarships for people who have no funding source available to them (parents should access referral agency support monies first) and for parents to take classes they can be successful in.
- People applying for this scholarship need to have a desire to become more effective parents, have a positive attitude about taking the class, and plan to attend class regularly.
- Since many students apply, you need to complete this form carefully, attach it to a completed class registration form, and return it to the BTC main office.
- Your application will be reviewed as soon as possible. We need to confirm that scholarship dollars are available before the scholarship can be approved.

Amount of request \$ _____ (NOTE: Scholarships will be given for HALF the cost of the class, up to \$75.00 maximum *per year*.)
